ReFILL is a national practical tap water campaign that aims to make refilling your bottle as easy, convenient and cheap as possible by introducing ReFILL points on every street. ReFILL was launched by City to Sea, originating in Bristol, in 2015 and there are now more than 10,000 ReFILL points around the UK.

The Isles of Scilly Wildlife Trust have been encouraging local businesses in Scilly to sign up and support this fantastic initiative, born in the South-West, as part of their Plastic Free Scilly project and it appears they don't need much encouragement!

There are currently thirty-four businesses & organisations signed up across the Islands which has led to the Isles of Scilly Wildlife Trust signing a licence agreement in order to create the #RefillScilly branded scheme in association with City to Sea.

The whole purpose of the campaign is to encourage people to ReFILL reusable bottles, with tap water, rather than purchase bottled water aiming to reduce single-use plastic waste.

The businesses and organisations signed up so far are....

So, when you're travelling around our Islands keep your eyes peeled for the blue and white Refill Scilly Stickers; where you see them you can #ReFILL for free!

If you have a smart phone you can download the ReFILL App to locate your nearest ReFILL station - it's that simple!

Make sure you remember to rate your ReFILL experience. On social media? Use #RefillScilly & remember to tag @PlasticFreeIoS & @ScillyWildlife & let us know that you're ReFILLing and what you think!
